

**Abstract of the Disclosure:**

In summary, my product holds three tees, three golf balls, and one repair divot. It is available in five great colors. The dimensions of the pouch are 5" in length, 2" in height and 1 ½" in width. It's made of nylon material. The Hip-Slider Golf Pouch slides easily onto your belt, is light-weight, and compact. This is a convenient location to store the essentials for a great round of golf. Also, while wearing it, golfers do not experience any interference with their swing. The Hip-Slider's focus is to provide a quality golf accessory item that is useful, easily attachable, and comfortable. The Golf Pouch is constructed in such a way that every golfer, no matter what age, can wear it. If you're a golfer; whether man, woman or child, you will find that the Golf Pouch makes carrying and locating the essentials of golf a more enjoyable experience. Your golf balls, tees, and divots no longer have to be carried in your front pant pockets causing bulkiness and wear.
